Job Profile

Horizon Family Medicine is seeking Family Practitioners to join our physician group. Come work with an established and dynamic network of Family Physicians that work in a clinic that offers a robust compensation plan, energetic and knowledgeable support staff, and a flexible schedule, with full time, part time or locum positions available. Horizon Family Medicine believes that a balanced lifestyle is of paramount importance and we are committed to ensuring that each physician is empowered to build his or her practice profile to precisely match their personal vision of an optimal balance.

Horizon Family Medicine is a dynamic family medical practice located in Red Deer - central Alberta's largest city. With the Red Deer population nearing 105,000, this area is known for being a hub in Alberta for tourism, strong family values and strong economic growth. Nearby Sylvan Lake, Alberta's summer playground and most popular lake, has become a popular place for families and those seeking seasonal recreational activity options. The area is also conveniently centrally located within a 1-hour drive of the international airports of Edmonton and Calgary and 2 hours from the majestic Rocky Mountains of Banff.

Clinic

Horizon Family Medicine has established a "Medical Home" model which strongly focuses on overall patient health and providing an excellent clinical patient experience and exceptional healthcare services. Our new facility, which opened summer 2021, includes 39 exam rooms, 2 large procedure rooms, a fitness centre and large conference room.

In addition to family practice, the medical services we offer include Low Risk Obstetrics, Podiatry, Sports Medicine, Cosmetic Medicine and Joint Rejuvenation & Spine. Horizon currently services and cares for nearly 20,000 panelled patients.

Horizon Family Medicine is strategically located in an easily accessible service area off Highway #2 and 67th Street and within close proximity to the Red Deer Regional Hospital. We are also co-located in the same building with a Pharmacy, Physiotherapy Clinic, Sleep Clinic, and Infusion Clinic. A Dental Clinic will be re-locating early 2023.

The clinic currently has 17 Family Physicians and has capacity for 3-4 more family physicians to join our group.

Qualifications/Requirements for this position

The successful applicant will have a valid practice permit/license with the College of Physicians and Surgeons of Alberta to practice in Alberta.

Salary Type: Fee for Service
